

Mabel Pines

Dipper's twin sister, Mabel is a **cheery, energetic optimist** who skips through life with a brace-filled smile and an assortment of the world's ugliest sweaters. Even though her new town of Gravity Falls is something of a mix between Twin Peaks and Deliverance, she sees the summer as an **excellent opportunity to make new friends**, and plans on collecting and arranging all her wonderful memories in a scrap-book with as much glitter as humanly possible.

Where Dipper is an evidence-obsessed skeptic, Mabel tends to take things at face value and follow her heart rather than her head. When it comes to boys, Mabel is a pushover- **nearly every day she has the crush of a lifetime**, and this occasionally lands her in disastrous situations, which require her brother's help to get out of. Mabel also absolutely loves anything and everything mass-marketed to her demographic age group. Boy bands, pre-teen fantasy fiction- she consumes them all with un-self-conscious girlish glee. Still, she's not just a follower, she **has her own unique brand of weirdness** when it comes to some of her passions. (Such as her desire to knit tiny sweaters for the forest animals, or her crush on the guy on the 20 dollar bill)

MABEL PINES SIDES:

1. MABEL PINES

CONFIDENT: Hey everyone! My name is Mable Pines. I believe in following your dreams, believing in yourself, making your dreams come true, and being true to your beliefs. Oh! And also, following your heart. I cant believe I almost forgot that one!

2. MABEL PINES

EXCITED: Oh my goodness! The Cutie-Town For Real Boyz are the greatest band in the history of the world, and they're performing here tonight! (scream of excitement) I'm gonna barf!

3. MABEL PINES

CONTEMPLATIVE: Dear Diary, I know I talk about myself a lot, but how are *you* doing? It must be lonely hanging out under my pillow all day, no other books to talk to. You know what, I'm going to leave a photo of Zac Efron under the pillow, and, you know, no pressure, but you two might hit it off. His eyebrows are waaaaay symmetrical. Ohhhh my gosh, you are a lucky diary.

4. MABEL PINES

TERRIFIED: AUUGH! MY ARM FELL OFF! AAAUUGHH!! AUUUGHH!!! AUUG— oh wait, there it is. It was in my sweatshirt the whole time. (raspberry noise) I. Am. Ridiculous!

5. MABEL PINES

IN LOVE: This is Norman. We met at the cemetery. He's really sensitive. (She feels his arm) Ooh, little muscle there. Oh my.

6. MABEL PINES

ANGRY: (She pokes Dipper in the chest on each underlined word, so punctuate those) Dipper, listen to me. Norman and I are going on a date at 5:00. And I am gonna be ADORABLE, and he is gonna be DREAMY, and I wont let you ruin with one of your crazy CONSPIRACIES! SLAM! (She slams the door on him)
